

For employees and retirees insured through Harvard Pilgrim health plans

This Medication List is effective for the quarter starting April 1, 2007 through June 30, 2007. Orders for medications on this list must be faxed or postmarked by July 7, 2007. Orders for new prescriptions faxed or postmarked after July 7, 2007 will only be honored if the medications being ordered are also on the Medication List for the next quarter starting July, 2007.
